Dear Applicant,

Thank you for your interest in the ASGPP's 68th Annual Conference. To apply for a scholarship please use the form provided to apply for this year's Conference. Please review it, fill it out completely and return it to the ASGPP Office as soon as possible.

The deadline for scholarship applications is February 1, 2010! Requests received after that date will only be considered if there are remaining funds. Only partial scholarships will be available this year in an effort to help as many people as possible.

During these difficult economic times, of course we would like to help everyone who applies for assistance. However, we are limited on the amount of scholarship money that is available in our budget this year. The scholarship committee will be meeting mid February 2010 and the committee will notify this year's recipients by the end of February.

We are asking scholarship recipients to assist us at the conference by volunteering as a session assistant or in some other volunteer capacity. Further information about these needs will be included in the February mailing.

If you have any questions about this process, please feel free to contact us by calling 727-543-9128 or emailing Lincondon@yahoo.com.

Hope to see you in Philadelphia!
