Dear Scholarship Applicant,

Thank you for your interest in the ASGPP's 70th Annual Conference. Please use the form on the following page to apply for scholarship assistance. Please review it, fill it out completely and return it to the ASGPP Office as soon as possible.

The deadline for scholarship applications is February 1, 2012! Requests received after that date will only be considered if there are remaining funds. Only partial scholarships will be available this year in an effort to help as many people as possible.

During these difficult economic times we would like to assist everyone who applies. However, we are limited on the amount of scholarship money that is available in our budget this year. The scholarship committee will be meeting after the February 1st deadline and will notify this year's recipients by the first of March.

We are asking scholarship recipients to assist us at the conference by volunteering as a session assistant or in some other volunteer capacity. Further information about these needs will be included in the February mailing.

If you have any questions about this process, please feel free to contact us by calling Ginny at 407-832-2133 or emailing ginhillman@aol.com.

See you at the Hyatt on the Hudson!
