by Susan Powell

Tedd Moorehouse passed June 16th of this year at the age of 60. His training group's reflections shine a light on his endless enthusiasm, positive attitude, and love of psychodrama. Tedd always had a generous big heart desiring to help people heal. He was an ASGPP conference presenter and an avid student in the field. His professional life included twenty years in the US Navy as well as many contributing roles in the area of addiction and recovery. Tedd's life goal was to serve God, make a difference, help others and have fun. May he be at peace knowing that he will be missed by his training group and many others whose lives he touched.
