Bridging the Gulf between Hope & Reality: Putting Our Ideals into Action

Clearwater Beach, Florida
April 28 - May 2, 2011
Clearwater Beach Hilton

Join us to connect with friends, participate in innovative Psychodrama workshops, and relax in the sunshine at beautiful Clearwater Beach. The goal of this conference will be to explore how psychodrama can be the bridge for integrating other modalities:

- Mind/Body, DBT, RET, Jungian, Adlerian, etc.
- specific populations: addictions, PTSD, the elderly, families, etc.
- a variety of fields: mental health, business, education, law, etc.
- social issues and the political landscape

Come relax, refresh, and renew yourself. We look forward to seeing you there!
