## IN MEMORIAM

### Ildri Lovo Bie Ginn, TEP

Ildri Lovo Bie Ginn of Cambridge, MA, and Norway, died May 3, 2011, following a long decline in health. She was 85 years old and a respected and loved psychologist for forty years. She lived in Cambridge with her husband Bob Ginn. They created the Psychodrama Institute of Boston from which they practiced bioenergetics and psychodrama therapy for many years. Ildri won the ASGPP Innovators Award, and the Collaborators Award with her husband Bob. Ildri was passionate about bioenergetics and psychodrama. She and her late husband Bob gave much to the ASGPP through their creative work.
