

INTERNATIONAL RESEARCH PANEL

Celebrating David Kipper's Legacy and Warming-up to New Research in Sociometry, Psychodrama, and Group Psychotherapy

An exciting panel of distinguished American and International researchers will share their expertise on the theme of establishing an evidence-based for psychodrama as a psychotherapy. New, exciting research will be presented along with a presentation on the current state of the psychodrama research literature. Practical suggestions will be provided to encourage clinicians to engage in their own research practice, utilize their social networking, and collaborate with local universities. The legacy of David Kipper's work will be celebrated including his influence in Chicago and worldwide.

Panelists: Erica Hollander, Tom Treadwell, Hod Orkibi, Michael Wieser, Galabina Tarashoeva, Rob Pramann, & Scott Giacomucci

Organized by the ASGPP Research Committee

We invite everyone to attend this event as it is important for the future survival of our professional field!
