

ASGPP conference 2023: Directions

The address: 441 E. Fordham Rd, Bronx, NY 10458.

there are entrances to the campus along Fordham Rd. and parking entrance is Southern (Kazimiroff) Blvd, across from the main entrance to the New York Botanical Garden.

Getting there from the airports:

There are three major airports serving the metropolitan New York area. A taxi ride will be upward of \$100.00. These are the instructions for the least expensive ways to use public transportation.

From JFK: take the Airtrain to Jamaica Station. There, go to the MTA Subway to Manhattan. At 7th Ave. station, transfer to the D train going UPTOWN to the Bronx. Exit at Fordham Road station. Walk to Rose Hill Campus. It's a long ride. No lavatories in the Subway, so prepare yourselves.

(the Airtrain fare is \$8.00, and the Subway ride is \$2.75)

From La Guardia:

Take the M60 bus to 125th Street (you may purchase a Metrocard at the machine where the bus stop is located (Fare: \$2.75). After the bus crosses the Triboro bridge, ask the driver to announce the transfer to the Metro North trains, which is near Lexington Ave. Get off the bus and take MetroNorth, going north, to Fordham Rd. Station. I don't know the fare on MetroNorth, but it is reasonable, and the ride is relatively short and beautiful. There are restrooms at the MetroNorth station.

From Newark N.J.(EWR) Airport:

Take the NJ Transit train to Pennsylvania Station in Manhattan (watch out, there is also a Pennsylvania station on the way in N.J.; don't let them confuse you!).

At Penn station transfer to the Subway and look for the D train Uptown. Do not go on the A or any other train, only the D train will do. Exit in the Bronx at Fordham Rd. station.

If you arrive by car, please check the website:
